- Detachable work positioning belt

Sizes:             Small, Standard, Large and X-Large  
Please refer to the harness size guide

The RGH4 combines the basic fall arrest harness with a comfortable work positioning belt in one unit.

- Fitted with a rear D and two side rings mounted to the belt.
- This comfortable harness is designed for operatives who spend a lot of time working at height and in exposed areas.
- The RGH4 is a 'multi-task' harness and will allow operatives to access almost any area in safety using a combination of the RidgeGear products available.
- The RGH4 is fully adjustable and fitted with rip stitch indicators.
- Detachable work positioning belt to create RGH2.
